

Welcome

What is this about?

This is an exhibition to keep people informed about what is happening with the Mortimer Neighbourhood Development Plan (NDP).

Since the last exhibition on the fairground a lot of work has taken place to try and develop some draft policies and work out what are the real options for the plan.

Following the feedback from the exhibition a questionnaire will be distributed to every house in the Parish to ask for your views. It is hoped that this exhibition will help you when it comes to completing the questionnaire

What does it mean to me?

Your views will help formulate the policies that go into the NDP. These will include such things as:-

- ❖ Where new housing development takes place
- ❖ The design of new development
- ❖ How green spaces are protected and connected
- ❖ The provision of new schools
- ❖ Parking provision

How does the exhibition work?

There are a series of boards on the following topics:-

- ❖ Residential Development
- ❖ Infrastructure – Parking, Flooding & Opportunities
- ❖ Biodiversity
- ❖ Commercial development and Employment
- ❖ Green Infrastructure
- ❖ Flooding
- ❖ Design and sustainable construction

Each board has a pile of post cards with it and you are invited to fill in the postcards and leave them in the box provided.

It would also be helpful if you could place a pin on the map to indicate where you live.

There are people with name badges on that will be able to help you with any questions you may have. Please do ask.

Thank you for taking the time to come today.
